INTRODUCTION

Detail-oriented finance professional and ACCA candidate with a Bachelor's degree in Finance and Accountancy from Christ University. Currently serving as Co-Founder of The Turning Point, where I blend finance with content creation and storytelling.

Skilled in SQL, Tableau, and Power BI, with a strong interest in data analytics and financial insights. Backed by multiple certifications across diverse domains, I bring both analytical thinking and creative problem-solving to the table.

A national-level football certificate holder, I value discipline, teamwork, and consistency—qualities I carry into my professional journey.

Actively seeking opportunities in finance and data analytics where I can contribute, learn, and grow in a dynamic environment.
